

CREATING IBM CLOUD SERVICE

Date	06 NOVEMBER 2022
Team ID	PNT2022TMID42281
Project Name	Project – SMART SOLUTIONS FOR RAILWAYS

The screenshot displays the IBM Cloud Account management interface in a web browser. The browser's address bar shows the URL `cloud.ibm.com/account`. The page features a dark-themed sidebar on the left with a menu containing items such as 'Account resources', 'Resource groups', 'Cloud Foundry orgs', 'Licenses and entitlements', 'Tags', 'Dashboards', 'Account settings', 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', 'Subscriptions', 'Audit log', and 'Company information'. The main content area is titled 'Account' and contains five cards: 'Account settings' (with a gear icon and text about upgrading the account), 'Resource groups' (with a group of people icon and text about assigning users), 'Cloud Foundry orgs' (with text about adjusting resource quotas), 'Licenses and entitlements' (with text about assigning licenses), and 'Tags' (with text about using tags to manage resources). The bottom of the image shows a Windows taskbar with various application icons and a system clock indicating 09:48 on 06-11-2022.

An IBM cloud Service created successfully.
